Upon successful achievement of BS10125 certification your ongoing compliance against the specification is monitored through two surveillance assessments carried out within each rolling twelve month period starting from the initial Certification award date.

The fee for ongoing surveillance are payable from the start of the certification date year.

1. **Suspension Audit Fee** In the event of a certification being suspended, the fee structure is;

- a) Review of documentation requiring no on-site assessment £250 + vat
- b) Partial re-assessment requiring one day site visit £499 + vat
- c) Full re-assessment £999 + vat

2. **Re-Assessment Fee** where you have failed your initial Pre-Certification Assessment or Extension Assessment, any subsequent inspection or assessment may have the below fee structure applied;

- a) Review of documentation requiring no on-site assessment £250 + vat
- b) Partial re-assessment requiring one day site visit £499 + vat
- c) Full re-assessment £999 + vat

Notes

- a) Payment can be made by Cheque, Credit Card, Standing Order or Direct Debit
- b) Fees are due and payable in full unless other agreement is made with RMISC
- c) Non-payment of fees will result in the removal of the RMISC certification for BS10125
